Why do you tell me all these lies?  
I just want to live my life  
I don't want to leave my dreams behind  
Tell me  
Why am I only getting older?  
My patience getting shorter  
I'm running out of time  
And I hope that I get what I wanted

This time's for real  
Is there anything I wanted?  
Is there anything I needed?  
Anything at all?

This time's for real  
Is there anything I wanted?  
Is there anything I needed?  
Anything at all?

Why do you make me feel denied?  
Always pushing me aside  
You do not decide what's wrong or right  
Tell me  
Why am I feeling so much pressure?  
Am I searching for the answer?

I'm running out of time  
And I hope that I get what I wanted

This time's for real  
Is there anything I wanted?  
Is there anything I needed?  
Anything at all?

This time's for real  
Is there anything I wanted?  
Is there anything I needed?  
Anything at all?

This time's for real  
Is there anything I wanted?  
Is there anything I needed?

Anything at all?

This time's for real

Is there anything I wanted?

Is there anything I needed?

Anything at all?

Is there anything I wanted?

Is there anything I needed?

Anything at all?
