Hook:

I got 20 bars to bust so now I demonstrate  
One times 20 and one times 8  
One times 20 and one times 8 I got 20 bars to bust it  
So now I demonstrate

Funky D.L.:

A-yo Kay Sera Sera, what will be will be  
I organize the phat track my name be Funky D  
L definatly you know I get the loop on  
Take off my 20 percent like a Corn Flake coupon  
I troop on fools trying to get me down  
Me and my DJ make the crew who produce the sound  
You wanna represent boy you should of came up  
sooner  
Cause now we transmit like a FM tuner  
At all frequencies so people get with it  
Or your face will feel like Mike Tyson just hit it  
Cause I got the flows so kid whats worse  
Trying to battle D.L., DJ Sticks or Versatile E?  
Yeah now you know the deal  
Bad boy MC showing how I feel  
On the microphone so I suggest you take heed  
Cause I be blowing up like that movie Speed  
Yeah you know the style you know the idea  
And this is my chance to expand my career  
So I'm gonna take it and just keep rappin'  
Cause in a year or two who will know what will happen

Hook

Versatile E:

Make Room it's the individual number 2  
My rap got you choking and you still don't have a clue  
(what) Here's my 20  
bars on my 20 and 8  
I'm a wipe 'em out quickly like food on my plate  
Don't debate coming and close the gate

Don't like my style being smuggled to another state  
Beyond your 2000 skills I'm early you ain't late  
What you find hard I find just a piece of cake  
Deliberly bad like uh, hepatitis  
Well I'm bustin' rhymes you facin' lyrical crisis  
Ain't the nicest but I flow like D-Nice  
With an unusual flavor add some Versatile spice  
At night look at the sky the smallest star is me  
I ain't there no more it's my shine that you can see  
With light speed on my way to uh the star maps  
At the same time have a break let my brain relax  
Competition ain't even that strong anymore  
I got many worlds to study, learn and explore  
My plan is to go where no man has gone before  
Cuz even Indian heads ain't ready for the (crashing) I  
got in store

Hook:

I got 8 bars to bust it so now I demonstrate  
One 16 that's made by two 8's  
One 16 that's made by two 8's  
I got 8 bars to bust it so now I demonstrate (x2)

Funky D.L.:

A-yo I represent hip hop and for that I'm proud  
And just like Rakim I can Move The Crowd  
So what you gonna do when you see me approach  
See you gonna be the rookie but I be the coach  
Yo that's right D.L. is the name  
A-yo that's right I can never be the same  
But there's one thing you must understand  
See I'm gonna represent and do the best I can

Hey a-yo I saw a doctor about my swift hermaphosis  
And totally rapping ill was my diagnosis  
Ask the doctor "Yo tell me what's gonna happen?"  
We done to seize enemies world is the prognosis  
Oh well I could of guessed but what I hear that was  
bucks  
But only would hear the first round bell  
20-20-8-8 a glass of prune only the making  
A move that's true cause you know we're never faking

Hook:

I had 20 bars to bust it then I had an 8  
I grab hold the mic so I could demonstrate  
First I had a 20 then I had an 8  
The name of this here is 20-20-8-8 (x2)
