Yeh yeh yeh yeh.. uh listen..
yeh yeh yeh yeh yeh yeh yeh uh

Chorus; you know i love you babe,
i will not let go just take a second i,
just want you to know, that, that i love you baby,
yea and you just drive me so crazy

Verse 1;
just take a second i, i will not let you go,
i need you by my side, me and you just take control.

we always keep it fresh, i love you i confess,
i need you by my side let me get it off my chest.
you know i need you babe, my glass of lemonade,
always be keeping me cool, like on summer day,
i need you by my side, you are my do or die,
i know you feel it too, can we just give it a try.

Chorus; you know i love you babe,
i will not let go just take a second i,
just want you to know, that, that i love you baby,
yea and you just drive me so crazy

Verse 2;
i saved my appetite, for all those lonely nights,
until that one day you and i can reunite,
i need you as my wife, so i can make it right,

do you remember the days where I could hold you
tight,

oh dayum that shit was good, when we both
understood,
a perfect match me and you I hope we really could,
and I just miss you much, won't you come back to me,
i love you so much, girl i hope that you could see

Chorus;
you know i love you babe, i will not let go
just take a second i, just want you to know, that,
that i love you baby,

yea and you just drive me so crazy

Verse 3;

and I just really can't get you off my mind,
we been together, through whatever,
you endeavor and I, you know I never ever never knew,
wherever that we go, I need you that's fa sho,
won't you give us time to grow cause...

Chorus;

you know i love you babe,
i will not let go just take a second i,
just want you to know, that, that i love you baby,
yea and you just drive me so crazy

(2x) Outro; and that you drive so crazy yeh yeh ohh
