I lock my door, outside it starts to pour
And it reminds me of you
I brush my teeth, and I turn off my TV
And it reminds me of you

I lay in bed underneath my sheets
But I know there's something in my room
I feel a breathe it's breathing on me oh
It's just too much too soon

Is it any wonder why I just can't sleep
Is it any wonder at all
Is it any wonder why at night I creep
Is it any wonder at all

I lay my head in many different beds
And they all feel just the same
Then I get home into the house I own
And I'm reminded once again

I close my eyes and turn of my TV but I know
There's something in my room
I feel a breath it's breathin' on me
It's just too much too soon

Is is any wonder why I just can't sleep
Is it any wonder at all
Is it any wonder why at night I creep
Is it any wonder at all

Is it any wonder
Is it any wonder why I can't sleep

Is it any wonder why I just can't sleep
Is it any wonder at all
Is it any wonder why at night I creep
Is it any wonder at all

Is it any wonder why I just cant sleep
Is it any wonder at all
Is it any wonder why at night I creep

Is it any wonder at all

Is it any wonder

Is it any wonder why I can't sleep
