Mary Jane, I feel silly when you pass me way,  
You know I feel the same,  
I come around here for another day,  
You won't cause me trouble,  
You always seem to be my source of pain... relief!  
Woah, I'm not like you, baby I'll change.

And I say, whatcha doin' today, but you wanna go  
There's this place I know where we can rock,  
Maybe roll a little, take my hand it's not that far,  
Here my friends, please don't be alarmed,  
But they want some of what you got,  
So make with the goods and maybe we'll write you a  
song.

M-M-M-M-Mary Jane!  
I feel silly when you pass me way,  
You know I feel the same,  
Come around here for another day,  
You won't cause me trouble,  
You always seem to be my source of pain... relief!  
Woah, I'm not like you, baby I'll change.

Ohh crime, is on my mind and tonight,  
Well I just might change the world,  
With a little bit of luck, give the place,  
And the time is right,  
Here my words, they may sound absurd,  
But some people still got to learn,  
That we're not to be harmed,  
Remove your walls, and all your concern

M-M-M-M-Mary Jane!  
I feel silly when you pass me way,  
You know I feel the same,  
Come around here for another day,  
You won't cause me trouble,  
You always seem to be my source of pain... relief!  
Woah, I'm not like you, baby I'll change.

And when we're rushing to the night,

I'm a roll and hold you tight,  
And when we see those police lights,  
It's a clue we should take flight,  
And run away and don't look back,  
While they hide behind their gun and badge,  
You say I'm addicted, partially inflicted,  
But I got what you want and you got what I need!

M-M-M-M-Mary Jane!  
I feel silly when you pass me way,  
You know I feel the same,  
Come around here for another day,  
You won't cause me trouble,  
You always seem to be my source of pain... relief!  
Woah, I'm not like you, baby I'll change.

Oooh yeah, Mary Jane, I feel silly when you, Mary Jane  
This time, Mary Jane, I feel silly when you, Mary Jane, in  
time.

Mary Jane, I feel silly when you, Mary Jane, this time  
I'm not like you, I'm not like you, I'm not like you, baby  
I'll change....
