Darling do you think that you and I would ever be  
More than just kind of in between  
Off and on, so much more than just a song  
But the words they just keep flowing  
As your unhappiness keeps growing  
Is there anything that I can do cause  
I'd do anything for you

[Chorus:]

And I'm sorry  
I don't wanna hurt you this bad  
Any way you wanna end this,  
Tell me when you wanna have another try  
I can be, anyone, anywhere, anytime!  
Lend me your heart  
And you could have mine.

And like a soldier, on a mission  
I've seen things, keep me wishing  
Maybe one day when the stars align, well  
You and I could shine a light  
On the people who keep saying  
Love is just a game worth playing  
If my pain is all just injury then,  
Someone send the nurse to see

[Chorus]

If I'm sorry  
I don't wanna hurt you this bad  
Any way you wanna end this,  
Tell me when you wanna have another try  
I can be, anyone, anywhere, anytime!  
Lend me your heart  
And you could have mine.

When is forever and how long before you see?  
There's so much of me inside of you  
So much of you in me.  
Take my hand and we'll overcome anything that's in  
the way.  
Is it love when it's so easy to say

That I'm sorry  
I don't wanna hurt you this bad  
Any way you wanna end this  
Tell me when you wanna have another try  
I can be, anyone, anywhere, anytime!  
Lend me your heart,

[Chorus]

And I'm sorry  
I don't wanna hurt you this bad  
Any way you wanna end this,  
Tell me when you wanna have another try  
I can be, anyone, anywhere, anytime!  
Lend me your heart  
And you could have mine.
