Lying beside you, here in the dark  
Feeling your heart beat with mine  
Softly you whisper, love so sincere  
How could our love be so blind

We sailed on together  
We drifted apart  
And here you are by my side

[Chorus:]  
So now I come to you, with open arms  
Nothing to hide, believe what I say  
So here I am, with open arms  
Hoping you'll see what your love means to me...  
Open arms

Living without you, living alone

This empty house seems so cold  
Wanting to hold you, wanting you near  
How much I wanted have home

But now that you've come back  
Turned night into day  
I need you to stay

[Chorus:]  
So now I come to you, with open arms  
Nothing to hide, believe what I say  
So here I am, with open arms  
Hoping you'll see what your love means to me...  
Open arms
