"Eh little girl me say dont walk so fast"
"Me want talk to you"
"Who me"?
"Yeah you
"Listen"

Hey little girl dont walk so fast
I want to talk to you
I got so many things to say to you
So dont you leave home before I do
I wanna tell you that I love the way you walk
Pretty little sugar pie
I wanna tell you that I love the way you talk
Pretty little sugar pie
Saw you yesterday accross the street
I hoped and I prayed that we would meet
I wanna tell you that I love the way you smile
Tell you that I love your kind of style
Oh baby won't you come and take me by the hand
Pretty little sugar pie
I wanna tell you that I want you to be my man
Pretty little sugar pie
Neva eva made you blue
Oh no no
Pretty little sugar pie
Neva eva eva eva turn my back on you NO!
Pretty little sugar pie
Oh baby oh baby oh baby oh
Pretty little sugar pie
Skidly skidly in a rub-a-dub style
Pretty little sugar pie
Come on
I want you near me like day and night
Boy you know I can do you right
I wanna love you wanna squeeze wanna kiss you all up
Making love till the mo morning lights
Hey little boy dont walk so fast
I want to talk to you
I got so many things to say to you
So dont you leave home before I do
I wanna tell you that I love the way you walk
Pretty little sugar pie

I wanna tell you that I love the way you talk
Pretty little sugar pie
Saw you yesterday accross the street
I hoped and I prayed that we would meet
I wanna tell you that I love the way you smile
Tell you that I love your kind of style
Oh baby won't you come and take me by the hand
Pretty little sugar pie
I wanna tell you that I want you to be my man
Pretty little sugar pie
Neva eva made you blue
Oh no no
Pretty little sugar pie
Neva eva eva turn my back on you NO! NO!
Pretty little sugar pie
I want you near me like day and night
Boy you know I can do you right
I wanna love you wanna squeeze wanna kiss you all up
Making love till the mo morning lights
Tell you that I love the way you walk
Pretty little sugar pie
I wanna Tell you that I love the way you talk
Pretty little sugar pie
