Bright lights and funny clowns  
hammin' it up to the circus grounds  
horses, big parade  
such a pretty sight, this love we made  
From way up here, life's just a ball  
with you by my side, love is worth the fall

Chorus:

So we're tap dancing on the highwire  
we could go tumbling down  
but something makes me go higher  
think it's having you around  
oh, get a look at us playing with fire  
oh, we're tap dancing on the highwire

Big applause, from the crowd out there  
watching our hearts in mid-air  
no strings and no fear  
keeps our love suspended up here  
We know we could lose our balance and fall  
but a heart that don't dance  
ain't a real heart at all

- Chorus -
