

## **Burst** **"Scavenger"**

Visit "[Scavenger](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Through this thievery

I'm cheated of my precious time

Anaemic, starved, in depravation

Hope once cherished lost

Pawn, prisoner -

Your blood is not your own

A thousand apathetic eyes

Yet not a single tear

A different kind of slavery

Seemingly chosen

Thieves are what you are

Bought right from the start

World-order degenerate

Preaching scavenger art

(I dreamt the world was a better place than it is...)
