Starlight hex on a v-neck
Driving down the
Staircase with a
Arm full of Jesus
I think you got a vision
You can see the snowflakes, can't you now?
Is this the big good-bye,
Or the start of you and I?

The sky is cracking up
And the ice is falling down
She said, "I'm always comin' out
When the ice is falling down."
She says, "These poems are mine,"
Oh, Oh
"These poems are mine,"
Go, Go
"To your little shrine
Now close your little eyes
From the ages of ruin."

Oh, the pain was awful
Silence broke my neck
I was cheatin' on you with God, baby
But he couldn't get erect
There's no serenity in infinity
So now I'm back from black
And I'm travelin' to another world
Who her? She's comin' with me...
I'll be a goddamn mother fucker

The sky is cracking up
And the ice is falling down
She said, "I'm always comin' out
When the ice is falling down."
She says, "These poems are mine,"
Oh, Oh
"These poems are mine,"
Go, Go
"To your little shrine
Now close your little eyes

From the ages of ruin."

Close your eyes for the ages
Close your eyes for the ages

The sky is cracking up
And the ice is falling down
She said, "I'm always comin' out
When the ice is falling down."
She says, "These poems are mine,"
Oh, Oh
"These poems are mine,"
Go, Go
"To your little shrine
Now close your little eyes
From the ages of ruin."
