"Here's a story for the kids!
This old man
He come a lot
Its in your hair
And I don't care
Im not all right
Im not all right
Its in your hair
No, I want to wait for someone like you
This old girl
She plays tricks
It takes my sex
To get a fix
Shes not all right
Shes not all right
Shes not all mine
No, I want to wait for someone like you
No, I want to wait for someone like you
To make my life so dynamite
Ah ah ah ah ah ah
Turn this dark life into light
Ah ah ah ah ah ah
Make my world so shiny bright
Ah ah ah ah ah ah
You got me burning both ways
Ima explode!
This old man
He just died
He blew his head with dynamite
Hes not all right
No, he's not all right
Its dynamite!
No, I want to wait for someone like you, you
No, I want to wait for someone like you
To make my life so dynamite
Ah ah ah ah ah ah
Turn this dark life into light
Ah ah ah ah ah ah
Make my world so shiny bright
Ah ah ah ah ah ah
Gonna make my life so dynamite

Ah ah ah ah ah ah
You got me burnin' both ways
Got me burnin' all day
Ima explode! YO!
No I want to wait for someone like you
To make my life so dynamite
Ah ah ah ah ah ah
Turn this dark life into light
Ah ah ah ah ah ah
Make my world so shiny bright
Ah ah ah ah ah ah
You got me burnin' both ways
Ima explode!"
