"Just a second, man."

"Hullo?"

(Ahem...)

Hello I have something to say.

Remember me? We met the other day.

Anyway, I think that you're really great.

(Chuckles)

"Shit..."

"Come on. You gotta do better than that! Better than that!"

You are better than butter on bread.

If you were a sweater I'd wear you on my head. Why is butter so good on bread? It's you. Hahah, I'm sorry.

Just tried to let you know that I love you so.

And now I'll let you go.

Ohh oh

Just called to say hello, and that I love you so.

And now I'll let you go.

Ohh oh

Just wanted to let you know that I love you so.

And now I'll let you go.

Ohh oh

Just called to say hello, you know I love you so.

And now I'll let you go.
Yeah.

"Alright, alright. And now tell her what you'd give up for her, you know?"

"All the bread in China xD"

"Yeah :D"

(Giggles)

"Noo..all the rice in China..."

So I guess you're probably busy and things. Doin' your hair, or whatever you're doing that's so cool. You're the best, just wanted to say you knock me out.

So get back to whatever it is your doin' that's so cool. I'll get back to kicking rocks down by the highschool.

Anyway...uhh. My numbers 22762.

Call me back if you want to.

Just tried to let you know that I love you so.

And now I'll let you go.

Ohh oh

Just called to say hello, and that I love you so.

And now I'll let you go.
