Here's a story for the kids

This old man, he come a lot
It's in your hair and I don't care
I'm not all right, I'm not all right
It's in your hair

No, I want to wait for someone like you

This old girl, she plays tricks
It takes my to get a fix
She's not all right, she's not all right
She's not all mine

No, I want to wait for someone like you
No, I want to wait for someone like you

To make my life so dynamite
Ah ah ah
Turn this dark life into light
Ah ah ah
Make my world so shiny bright
Ah ah ah

You got me burning both ways
I'ma explode

This old man, he just died
He blew his head with dynamite
He's not all right, no, he's not all right
It's dynamite

No, I want to wait for someone like you, you
No, I want to wait for someone like you

To make my life so dynamite
Ah ah ah
Turn this dark life into light
Ah ah ah
Make my world so shiny bright
Ah ah ah
Gonna make my life so dynamite

Ah ah ah

You got me burnin' both ways
Got me burnin' all day
I'ma explode! Yo

No I want to wait for someone like you

To make my life so dynamite
Ah ah ah
Turn this dark life into light
Ah ah ah
Make my world so shiny bright
Ah ah ah

You got me burnin' both ways
I'ma explode
