It's that time again, I'm gone.
Don't be sad, I'll be thinking of you.

Good girl, yeah, so far away from you.
All the time I think of you.
Good girl, oh I know you're lonely too.
You're on my mind, I love you.

Don't be surprised, I'm not telling lies.
Mmm-mmmmmm, you might have known.
No alibi could ever deny what time has shown.

Do you get lonely?
Oh I get so lonely.
I wanna dance all night, yeah.
You know it's only loving, don't go crazy.
I'm thinking of you tonight.
I say..

Good girl, so far away from you.
All the time I think of you.
Good girl, oh I know you're lonely too.
You're on my mind, I love you.

You know time, it keeps us a-changing.
Mmm-mmmmmm, we're miles apart.
But don't cry, just hope we aren't strangers when I
come home.

Do you get lonely?
Oh I get so lonely.
I wanna dance all night, yeah.
You know it's only loving, don't go crazy.
I'm thinking of you tonight and I say..

Good girl, yeah, so far away from you.
All the time I think of you.
Good girl, oh I know you're lonely too.
You're on my mind, I love you.

Now while I'm gone you do your thing.

I do not want you to cling.
Do you know what tomorrow brings?
Me neither, now come on sing.

I love you.
That's true.
I love you.
Ooooh that's true.
I'm coming home.

Good girl, yeah, so far away from you.
All the time I think of you.
Good girl, oh I know you're lonely too.
You're on my mind, I love you.

MUAH!
