Happy Annie wakes up scared
It's such a big day, she's unprepared
She wanted this since she was a girl
More than anything in the whole wide world
To get your mon's white wedding dress
And play bride with the family pets
In her bedroom bells were ringing
Oh, she imagined everyone singing

But she never thought it's this way
'cause she loved
She loved
She loved - she loved him

Look how she loves

Wake up Tommy - do you feel the pain that
You got inside?
Find your mommy,
Spread her legs and climb back up inside
Boys who trap animals are animals themselves
So wake up Tommy
Don't you know that you're going to burn in hell?

But he never thought it's this way
'cause he loved
He loved
He loved - he loved her

Love love love

And this is the truth
Try to find some youth
Watch it all go by

People for sale
Sell yourselves visually
So comfortable being a slave
Beautiful people

Happy Annie, so much pain
She can't break free from the chain

She's thinking about what she never did
She want adventure but she loves her kids
Love with her man has slowly died
Don't talk about it she prefers to lie
In her bedroom bells were ringing
Oh she imagined everyone singing
La la lalala

Wake up Tommy
Can you feel the pain
That you caused inside
Look at Mommy as she finds
A place for her love to hide
Boys who trap animals are animals themselves
So set her free man
You will see Dad, you'll be free as well

But they never thought it's this way
'cause they loved
They loved
They loved
