Life
A reaction to emptiness
Time
Continues for the Boogymen
Just give me one
Chance
To feature you in sunshine
And we could both
Dance
The aphids swarm away

Hello, hello
Losing concentration
Losing motivation
Losing ground

Solo solo
Don't like moderation
Starved for conversation
Are you down

Love
A reaction to some soft skin
What about
Trust
I've seen it here and there
Just give me some
Girls
Be careful what you wish for
So take me
Out
Woo honey let's go dancing

Hello, hello
Losing concentration
Losing motivation
Losing ground

Solo, solo
Don't like moderation
Starved for conversation
Are you down

Hello, hello
Losing concentration
Losing motivation
Losing ground

Solo, solo
Don't like moderation
Starved for conversation
Are you down

Hello, hello
Losing concentration
Losing motivation
Losing ground

Solo, solo
Don't like moderation
Starved for conversation
Are you down

Are you down

Don't stop wasting people's time
