Information when we were so young
That we're the nation that's free and fun
Information you get on the tube
From the corporations straight to you
Medication to keep us numb
To the sodomization of everyone
Education to blind and dumb
Our generation for years to come

Tear it down, I wanna
A new life, I wanna
Tomorrow
Baby I'm goin down

Oh, no no no
No salvation on the corner
Oh, no no no
Walkin tall with a big boner
It's that time for making love, my friends
So let's go stick it to the man

Don't touch that dial!
Wolf Blitzkrieg
The O'Reilly cracker
It's your fuckin house, niggers

The decimation of native land
In the name of the Christian man
Soul salvation from religion
Just a small donation will get you some
Instigation to fight and stop
The castration of our sweet
Desperation to learn and talk
Our proclamations will be the spark

Tear it down, I wanna
A new life, I wanna
Tomorrow
Baby I'm goin down

Oh, no no no
No salvation on the corner

Oh, no no no
Walkin tall with a big boner

Yeah, it's that time for making love my friends
So let's go stick it to the man
