Intro: "Image"

Were So Corrupted, Full Of Sin
Full Of Pride, Full Of Hate, Full Of Anger
Just Lusting, Everything We See That Pass By (sigh)
Go To God Now...

Verse: "Image"

I was born dead
Instead of milk in my bottle it's sin I was fed...
Man I hated God didn't want nun to do wit His Will or
His Love...
I wanted to do me, staying lo key & hold it down for my
G's...
I was born affected Corrupted wit sin...
Looking for Love but always meant a dead end...
Life's cutthroat, time's my enemy, While I'm smelling
da gunsmoke
Da devil is a liar, my flesh likewise, Jesus my Savior, so
I died that
Night
He shown me grace Saved by His Blood,
I'm forever His, Cuz I'm His Son...
Lord I thank U & I'm so grateful...

Hook: "Sherley & Nessa"

I was so dead, didn't want your Grace
Rejected Your name yet, you still love me
I'm filled with flaws I spit on your face
But U Died For My Sins, thank you for Who U Are

Verse 2: "Image"

Drowning in sin
Yep here I go again
Fruits of the flesh got me lustin for sex
& all of my taughts is controlled by my flesh...
Feel like the old me creeping back, masterbating in da
shower man I feel
Trap...
Where is my father? I feel lyk an orphant bt seeking
Him I dnt bother...
If only I would stay in da Word & devote myself to

prayer

U would b glorified but instead I'm bringing shame to
the name of my

Savior...

1 corinthians 6:9-10 man I feel like one of them...

U such Sovereign God, u shown me so much love...

U took da wrath & Now when u look at me u see your
Son...

Hook: "Sherley & Nessa"

I was so dead, didn't want your Grace

Rejected Your name yet, you still love me

I'm filled with flaws I spit on your face

But U Died For My Sins, thank you for Who U Are
