"Bleed As One... Appease The Gods"

Early morn the alarms are sounding
The call to arms is made
Fifty thousand men
Many armies they've decimated
Now they approach our walls
Die with honor

It's glorious, fire and blood
Stand your ground
Let us all bleed as one
Until our foes are overrun
We shall remember the fallen
Appease the Gods

The ground shakes as the enemy charges
Blood will be shed this day
The final order
Glory is yours for the taking
Now men hear my words
None left alive

It's glorious, fire and blood
Stand your ground
Let us all bleed as one
Until our foes are overrun
We shall remember the fallen
Appease the Gods

The enemy is eradicated
The scent of death fills the air
The Gods are smiling

It's glorious, fire and blood
Stand your ground
Let us all bleed as one
Until our foes are overrun
We shall remember the fallen
Appease the Gods
