Don't hate me
Instead step back and see
Or try looking
Through my eyes
No halos, no wings to fly
A faded rainbow lost in time

Just another shining example
Of what not to say
I don't understand quite what happened
I never planned it out this way

I'm not a sinner, just my conscience, doesn't seem to
serve me well
My temper, and my violence; really what is there to tell?

Don't hate me, you're in for one hell of a ride, don't
hate me
God save me, I've got devils on both sides, God save
me
Don't hate me, you're in for one hell of a ride, don't
hate me
Got devils on both sides

I'm not one for conversation
In fact I hate about everyone
A product of my own frustration
Just look at what I've become

I'm not a sinner, just my conscience, doesn't seem to
serve me well
My temper, and my violence; really what is there to tell?

No control

I'm not a sinner, just my conscience, doesn't seem to
serve me well
My temper, and my violence; really what is there to tell?

Don't hate me, you're in for one hell of a ride, don't
hate me

God save me, I've got devils on both sides, God save
me
Don't hate me, you're in for one hell of a ride, don't
hate me
God save me, I've got devils on both sides, God save
me
Devil's on both sides
