I was never given a choice  
Or told what I'd done wrong  
And if I was I'd rather have died  
It's like a horrible dream  
And I'm not waking  
Can anybody hear me?

Forever Darkened  
Forever Darkened

I'm in hell  
Crouched in the corner  
A shell of man  
Locked behind this mask

Forever Darkened  
Forever Darkened

They went and hid me away  
Stole my life  
And I'll never know why  
They shackled me like a beast  
Without warning  
Can anybody hear me?

I'm in hell  
Crouched in the corner  
A shell of man  
Locked behind this mask

Forever Darkened  
Forever Darkened

Locked this mask over my face  
Just enough light to see  
And I can barely breathe  
A brand new kind of hell  
My voice is screaming  
And the echo's deafening

I'm in hell  
Crouched in the corner

A shell of man  
Locked behind this mask

Forever Darkened  
Forever Darkened  
Forever Darkened
