"Held Beneath"

Visit "[Held Beneath](#)" on MotoLyrics.com

This was our last shot
I always knew it
You tried your best to save me
You should've left me buried

For the last time you gave all you could offer
And now those dreams are swept beneath the water

You could never understand
You led me to the water
But I would never drink
In frustration I held you beneath

You gave it all you got
Though the changes weren't many
You tried to hold onto me
I'd bite the hand that feeds me

For the last time you gave all you could offer
And now those dreams are swept beneath the water

Fight at any cost
We both went through it
You'd walk through fire to be with me
Would you burn in hell to keep me?

For the last time you gave all you could offer
And now those dreams are swept beneath the water

You could never understand
You led me to the water
But I could never drink
In frustration I held you beneath
You led me to the water
But I would never drink
I held you beneath
