Wrapped in shame I murdered my brother
Always seemed he was better than me
Sucking up all the time to our father
Such pain brought me immortal rage
Jealousy was my infection
Spread thru and thru to corruption
Blind hate all the way to a hill
Slow death the fucking cup is spilled

Oh what have you done
You've gone and taken a life
I saw you the first one
To be marked as the father of murderers

Pleasure pain it's all the same to me
Condemned without no sympathy
Grown hard against the justified
Fuck you now tell me who has lied

Oh what have you done
You've gone and taken a life
I saw you the first one
To be marked as the father of murderers

The bible speaks of Cain and Abel's tries
It's time for penance

They tried to bring me down
It cuts deeper and they'll know
Lost but found

Wrapped in shame I murdered my brother
Always seemed he was better than me
Sucking up all the time to our father
Such pain brought me immortal rage
Jealousy was my infection
Spread thru and thru to corruption
Blind hate all the way to a kill
Slow death the fucking cup has spilled

Oh what have you done

You've gone and taken a life
I saw you the first one
To be marked as the father of murderers
