Drifting in a sea lost and alone  
Water's all that surrounds me  
The sun burning my skin  
I've been swimming for hours on end  
Looking out for land  
I don't know how much longer I can  
Until the ocean takes me  
Out of breath I try to scream

Sinking... sinking

I'm going down  
Scared to death  
Fighting so hard to breathe  
No one around  
Scared to death  
Beyond my wildest dreams

I feel my body sink beneath  
I close my eyes and don't dare breathe  
The light grows dimmer as I see  
My life slip away from me

Gasping for a last breath of air  
Calmness upon me I release my cares  
Thoughts of what will be  
And of the world I'll no longer see  
I slowly extend my hands  
An act much braver than I am  
Without a chance to think  
I open up and take a drink

Sinking... sinking

I'm going down  
Scared to death  
Fighting so hard to breathe  
No one around  
Scared to death  
Beyond my wildest dreams

I feel my body sink beneath

I close my eyes and don't dare breathe  
The light grows dimmer as I see  
My life slip away from me

I'm going down  
Scared to death  
Fighting so hard to breathe  
No one around  
Scared to death  
Beyond my wildest dreams  
Scared to death  
Fighting so hard to breathe  
No, no not a sound  
Scared to death
