Into the dark, contain your shock
Feeling no shame, embrace the pain
I can feel your body trembling
All that you crave, playing the slave
Touching the fire, wet with desire
I can see your eyes are wanting more

I'll tease you and break you
You'll call me your creator
You come to me in innocence
And leave here soaking in my sin
I'll bleed you and please you
You'll call me your creator
Each time you're crawling back again
To let my demons do you in

Filling your need, submit to me
Oh how you yearn, waiting your turn
I can feel your lips quivering
Put to the test, quickening breath
Heavenly thighs, tightening eyes
I can see you getting closer

Your body before marked red and bright
Contain your climax till I say it's time
Now kneel before me and worship me tonight

Feel no pain... embrace the shame

I'll tease you and break you
You'll call me your creator
You come to me in innocence
And leave here soaking in my skin
I'll bleed you and please you
You'll call me your creator
Each time you're crawling back again
To let my demons do you in
You'll feel pleasure when you submit
Playing the slave again
I'll bleed you and please you
I'm your creator
