I sing this song for you, please listen,  
it's the only way I can speak to you,  
Let your feelings stay so hidden,  
now you telling me: we're thru

I don't believe what I hear,  
I just can't work it out.  
I gave you all I had,  
no questions, no doubts.  
through the door, kissed my cheek,  
waved her hand.  
In the distance she cried out:  
please don't take the blame.  
I'll always love you,  
she said: don't look back,  
don't look back,  
don't look back on me.

It hurts me more than it hurts you,  
she said:  
don't look back,  
don't look back,  
don't look back,  
please

I have the need, so do you.  
But why this way?  
Why this way?  
Running just won't do.  
How could this happen?  
I can't explain  
to think it felt so good,  
now it turned to pain

I'll always love you  
she said:  
don't look back,  
don't look back,  
don't look back on me

it hurts me more than it hurts you,  
she said:

don't look back,  
don't look back,  
don't look back on me.

I have the need, a strong need for you girl.

Don't look back,  
don't look back,  
don't look back on me.

I'll always love you

Don't look back,  
don't look back,  
don't look back , please

don't look back,

please...

please...
