Aaaah aaah yeah
I keep fallin' [in and out of love]
I keep fallin' [in and out of love]
I keep fallin' [in and out of love]
In and out of love

Hey love, look what you've done to me
You chained me with hostility
So I could never see
You know the nightmares I've been havin'
about you and me definitely gonna come through
[Here today gone tomorrow] tomorrow
So much hurt, tears and sorrow

[in and out of love] I keep fallin'
[in and out of love] I keep fallin'
[in and out of love] in and out of love
[in and out of love] I keep fallin'
[in and out of love] I keep fallin'
[in and out of love] in and out of love

So long it was scared us
She was in my hands once again
Drove me round and round
I lied, hated and abused her
Then I touch and kiss, caress her lips
And confuse my mind

[Here today gone tomorrow] tomorrow
[So much hurt, tears and sorrow] Ooh ooh

[in and out of love] I keep fallin'
[in and out of love] I keep fallin'
[in and out of love] in and out of love
[in and out of love] I keep fallin'
[in and out of love] I keep fallin'
[in and out of love] in and out of love

Aaah yeah

I keep fallin', fallin', fallin', fallin',

[in and out of love]
[in and out of love]
[in and out of love]
[in and out of love] your love yeah
[in and out of love] oh my love

[in and out of love] your love

[Here today gone tomorrow]
yeah
In and out of love
[in and out of love]
[in and out of love] yeah yeah
Here today gone tomorrow
[in and out of love]
[in and out of love]
[in and out of love]
Here today gone tomorrow
[in and out of love]
[in and out of love]
[in and out of love]
