Searching for a destiny that's mine  
There's another place another time  
Touching many hearts along the way, yeah

Hoping that I'll never have to say  
It's just an illusion, illusion, illusion  
Follow your emotions anywhere  
Is it really magic in the air?

Never let your feelings get you down  
Open up your eyes and look around  
It's just an illusion, illusion, illusion

Could it be that it's just an illusion  
Putting me back in all this confusion?  
Could it be that it's just an illusion now?  
Could it be that it's just an illusion  
Putting me back in all this confusion?  
Could it be that it's just an illusion now?

Could it be a picture in my mind?  
Never sure exactly what I'll find  
Only in my dreams I turn you on  
Here for just a moment then you're gone  
It's just an illusion, illusion, illusion

Could it be that it's just an illusion  
Putting me back in all this confusion?  
Could it be that it's just an illusion now?  
Could it be that it's just an illusion  
Putting me back in all this confusion?  
Could it be that it's just an illusion now?
