

## Imago "4 Christmas"

Nobody's home  
Alone  
(But) everybody's smiling  
We were told of greens and gold  
Stories, tales unfolding

Now it's cold  
I'll embrace you tighter  
Get off that fear  
Believe in the only thing that's real

All I want is you  
(Be in my tunnel vision)  
(4 christmas)

Can we stay and stare into  
Each other's gaze this day anew  
Has all your love been drained for good  
Remember how blood was she'd for you

Nobody's home  
Alone  
Here I am smiling  
I am told your love is bolder  
And more of you keep shining
