Oh, sweet, sweet, sweet lovin' babe, how'd I ever let  
you go?  
Miss you more as the years go rollin' by  
And I might still be near you, if not for one small thing I  
know  
You lied when I looked you straight in the eye

But oh, you're meanin' so much  
Oh lover, meanin' what you're meanin' now  
Oh, meanin' so much to me

Ask me how well, how well that I remember nights in  
September  
Lying, holding each other's lovin' charms  
And I might still be near you, if not for one small thing I  
know  
I found you in someone else's arms

But oh, you're meanin' so much  
Oh lover, meanin' what you're meanin' now  
Oh, meanin' so much to me

I know it's useless, I know it's impossible, I've tried  
Can't seem to drink you out of my mind  
No sense in lookin', no sense in comin' crawlin' on back  
Knowing what it is that I'd find, what I'd find

Oh, night comes falling, bringing darkness again  
Bringing teardrops to another lonely man  
And I might still be near you, if not for one small thing I  
know  
When you loved me you would love me and then you  
ran  
Yes, you did, now

But oh, you're meanin' so much  
Oh lover, meanin' what you're meanin' now  
Oh, meanin' so much to me
