Trapped in a mine that had caved in
And everyone knows the only ones left
Was Joe and me and Tim

When they broke through to pull us free
The only ones left to tell the tale
Was Joe and me

Timothy, Timothy, where on earth did you go?
Timothy, Timothy, God why don't I know?

Hungry as hell, no food to eat
And Joe said that he would sell his soul
For just a piece of meat
Water enough to drink for two
And Joe said to me "I'll take a swig
And then, there's some for you"

Timothy, Timothy, Joe was looking at you
Timothy, Timothy, God what did we do?

I must have blacked out just 'bout then
'Cause the very next thing that I could see
Was the light of the day again
My stomach was full as it could be
And nobody ever got around to finding Timothy

Timothy, Timothy, where on earth did you go?
Timothy, Timothy God why don't I know?

Timothy
Oh, Timothy
Timothyyyyyyyyyyyyyyy
Oh, Timothy
