Well I declare  
I don't remember a time when I felt this low  
Well I declare  
I don't remember a time when I felt this low  
My baby took off with another guy  
And he's been givin' her life a go

Cry myself to sleep  
And in the morning when I wake up  
I'mma thinking what might have been  
Cry myself to sleep  
And in the morning when I wake up  
I'mma thinking what might have been

I can't get ahead for losing  
I've been forgettin' what it's like to win

He ain't the one for you babe  
You need somebody to talk to  
Soul to soul

No, he ain't the one for you babe  
You need somebody to talk to  
Soul to soul

You better not hold any auditions, babe  
I think I'm already out of the role

I heard all the latest gossip  
He's got some fancy plan  
He wants to make you his wife  
I heard all the latest gossip  
He's got some fancy plan  
He wants to make you his wife

Well I'll be lurking in the shadows  
Until you let me back in to your life  
Alright

Hey hey hey
