From Sex & The City soundtrack

You're not who I want, but U will do for the night  
Your face is a mess, but your ass looks alright  
And I must confess, your looks are not the best  
So I'll have to recommend that u stay mostly dressed

Everybody need a little kissin' sometimes  
So come on and kiss me where the sun don't shine  
I don't want to look, no, no I can't watch  
So ease on down and put your hand right in my

I am tired of seeing your face  
Have some place and deal with race  
Why don't U just turn out the light  
Help me get through this night

I'm gonna count to 10, I want u out of my life  
Just say when, I want u out of my life  
1-2-3-4-5-6-7--8-9-10  
You out on your ass again,  
Lonely little heart has to pray for a friend  
1-2-3-4-5-6-7--8-9-10  
Good luck when your out on your own  
Here's a little treat, little doggie bone

I am the girl of your dreams and you're the man-of-the-hour  
And my love for you ran out it's like a morning flower  
It will slowly wilt away if not gone by midday  
So hurry up and get it up and get busy

I am tired of seeing your face  
Have some place and deal with race  
Why don't U just turn out the light  
Help me get through this night

I'm gonna count to 10, I want u out of my life  
Just say when, I want u out of my life  
1-2-3-4-5-6-7--8-9-10  
You out on your ass again

Lonely little heart has to pray for a friend  
1-2-3-4-5-6-7--8-9-10  
Good luck when your out on your own  
Here's a little treat, little doggie bone
