you're not who I want
but you will do for the night
your face is a mess
but your ass looks alright
and I must confess
your looks are not the best
so how to recommend
that you stay mostly dressed?

everybody need a little
kissin sometimes
so c'mon and kiss me
where the sun don't shine
I don't wanna look
no, no, I can't watch
so ease on down and
put your head right in my...

CHORUS:

I am tired of seeing your face
have some place in the human race
why don't you just turn out the light?
help me to get through this night
I'm gonna count to ten
I want you out of my life
just say when
I want you out of my life
1, 2, 3, 4, 5, 6, 7, 8, 9, 10
you're out on your ass again
lonely little heart's
gotta pray for a friend
1, 2, 3, 4, 5, 6, 7, 8, 9, 10
good luck when you're
out on your own
here's a little treat;
a little doggy bone

I'm the girl of your dreams
and you're the man of the hour
and my love for you right now
is like a morning flower

it will slowly wilt away
if you're not gone by midday
so hurry up and get it up
and get busy

CHORUS TWICE

you know the rest
