Feelin' you, baby
Feelin' me, baby
Feelin' you, baby
Feelin' me, baby
Feelin' you, baby
Feelin' me, baby
Feelin' you, baby

Chorus:

I'm feelin' you (com'on)
Like you feelin' me (com' on)
Can't you see? (com' on)
There's a love goin' down
I'm feelin' you (com' on)
Like you feelin' me (com' on)
Can't you see? (com' on)
I will always be around

Verse 1: (olamide)

Every time I think about love
I think about us...yea
'cause it's the way you be making me feel
And you know it's real
And I can't stop givin' it up...mmhm
When I feel that you need my love
All you do is call on me
And baby you will see
I'm all that you need

Chorus:

I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
There's a love goin... down
I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
I will always be around

Verse 2: (olamide)

Every time like you come around
I'm wearing a smile

You got me mesmerized, hypnotized
When I look into your eyes
You're all that I see
And I can't stop givin' it up...oh no
When you feel that you need my love...yea
All you do is say my name
And don't you be ashamed
If you feel the same

Chorus:
I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
There's a love goin' down
I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
I will always be around

Verse 3:
So here we are
(here we are)
Just you and i
(just you and I)
And I can't deny
I got a thing for you so give it a chance
And if you down
Come around so we can kick it...yea, yea

Chorus: (fading)
I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
There's a love goin... down
I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
I will always be around
I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
There's a love goin' down
I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
I will always be around
I'm feelin' you
Like you feelin' me (com' on)
Can't you see?
There's a love goin' down
I'm feelin' you

Like you feelin' me (com' on)
Can't you see?
I will always be around
