Chorus:

I'm feelin' you,  
Like you're feeling me  
Can't you see?  
There's a love going down  
I'm feelin' you  
Like your feeling me  
Can't you see?  
I will always be around

Verse 1:

Every time I think about love  
I think about us yeah  
Cause it's the way you're making me feel  
And you know it's real  
And I can't stop giving it up mmm hmmm  
When you feel that you need my love  
All you do is call on me  
And baby you will see I'm all that you need

(chorus)

Verse 2:

Every time you come around  
I'm wearing a smile  
You've got me mesmerized, hypnotized  
With a look into your eyes  
And all that I see  
And I can't stop giving it up  
When you feel that you need my love (yeah, yeah)  
All you do is call my name (call my name)  
And don't you be ashamed  
If you feel the same oh

(chorus)

So here we are (here we are)  
Just you and I (just you and I)  
And I can't deny  
I got a thing for you  
So give it a chance

And if you're down come around

(chorus)
