Mmm,
Ohhh, yea...
From the day I saw you with your friends
I've been thinkin bout you ever since
Wonderin how can I get close to you
I really have to have you for my boo

So I pick up my pencil
And paper
To write the words I'd like to say to you
I will always hold you inside my heart
I'll be waitin
For your replie

Chorus:
I'm sendin a love letter to ya baby
The way I feel when your around it makes me wonder
when I'm down
I'm sendin my heart out to ya baby
To let you know I'm feelin you so
I'm sendin a love letter to you baby
The way I feel when your around it makes me wonder
when I'm down
I'm sendin my heart out to you baby
To let you know that I'm feelin you so

I really like the kind of gear you wear
I even like the way you style your hair
Girl it's just the little things you do
I like your flow
I like the way you move

So send me your picture
So I can see
Your face again
I really need to get with you
Can we make it happen
Baby...

Chrous:
I'm sendin a love letter to ya baby

The way I feel when your around it makes me wonder
when I'm down
I'm sendin my heart out to ya baby
To let you know I'm feelin you so
I'm sendin a love letter to you baby
The way I feel when your around it makes me wonder
when I'm down
I'm sendin my heart out to you baby
To let you know that I'm feelin you so

I'll be sittin here waitin for you to get home
Hit me up on my pager girl
I'll call you on your phone
And if you think you wanna be down
Baby we can do this
We can get it on
(repeat)

Chorus repeat till end
