[Me:]

Dear father

In heaven

Make peace at my true heart

I suffer

Dear father

Feels like one missing part

Dear father

Forgive me

If I ever forgot you or done you wrong

Including this song

I'm not used to

Praise the love for you

What I feel is greater than a pray

Now I'm begging you

I'm down on my knee

But my soul don't knows what to say

Let me try again

I'll resume my pain

Dear father, show me that you hear

Cause I feel you so near

Give one more chance to me

Give one more chance to me

I know that I'm no saint

My freedom wrongly spent

But my sin was to love the life you gave to me

Dear father, will you hear?

I'm bursting into tears

I have suffered enough, father, can't you see?

If you have love for me

If you do care for me

Dear father, I beg you, don't fail me

If you just listen to me

Give one more chance to me

Give one more chance to me

[God:]

Do you understand me now?

You don't understand at all
Do you really know me now?
Look at yourself
See what I mean
That's what I want you to do for me now

[Me:]
Give one more chance to me
Give one more chance to me
