Ooh, ooh, baby
Immature's back-back-back
Ooh, ooh, baby-baby
Ooh, ooh, baby
Romeo, Idb, and batman
You wanna get with me tonight
Ooohhh...

Vesre 1:

Baby, try me, give me all your love
I will never do you wrong
Baby, won't you let down your guard
Then maybe we can go real far

Chorus:

Ooh, ooh, baby
You say you wanna stay the night (stay together)
You know you got a brother high (brother high)
I'll come and pick you up in my ride (my ride, whoa)
Ooh, ooh, baby-baby
Ooh, ooh, baby
You say you wanna stay the night (whoa whoa)
You wanna get with me tonight (get with me tonight)
I'll come and pick you up in my ride (oh oh)
Ooh, ooh, baby-baby

Verse 2: baby, I'll be there to get you around one
So we can go chill and have some fun
Baby, let's cuddle till the sun comes up
And baby, you know that I love you so much

Chorus:

Ooh, ooh, baby
You say you wanna stay the night (stay together)
You know you got a brother high (brother high)
I'll come and pick you up in my ride (ooh, baby)
Ooh, ooh, baby-baby

Ooh, ooh, baby (you say you want me)
You say you wanna stay the night
You wanna get with me tonight (whoa)

I'll come and pick you up in my ride (hold me, hold me)
Ooh, ooh, baby, baby-baby

Rap; (romeo)
Once my niggas get down like that
You didn't know it's from the stack
We can move from the front to the back
Watch me make you cool like cat
Make moves, you don't break the rules
Take no fools, if that's school
Romeo, I never lose
With the girls I choose

Immature's back-back-back
Throw your hands to the side
Hey ladies [yeah]
Do you think we? re tight [yeah]
Immature's back-back-back (oh, yeah)
Throw your hands to the side (whoa, yeah)
Hey girls [yeah]
Do you think we're tight [yeah] (oh, baby)

Ooh, ooh, baby
You say you wanna stay the night (you say you wanna
stay the night)
You know you got a brother high

Ooh, ooh, baby-baby (pick you up in my ride)

Ooh, ooh, baby
You say you wanna stay the night (stay the night, baby)
