Goodbye yesterday
Umarekawatta
Watashi ga ima koko ni iru
Hora ne ima made yori egao ga niau desho?
Omoikiri waratte naite
Jibunrashisa ni deaeta
Yatto tadoritsuita
Eien no yasashisa ni tsuzuku michi

Namida no kazu dake hito wa kitto
Shiawase ni chikazuiteiru hazu
Sayonara kara ashita ga hajimaru
Goodbye yesterday
And hello tomorrow...

Tatoeba dareka wo ai shite
Kizu tsuku koto ga attemo
Sore wa itoshii kizu
Asu e no michishirube
Subete wo ukeireta toki ni
Hikari wa chikazuitekuru
Sora ni dakareta toki
Eien wa kono mune ni kizamareru

Kisetsu ga kaze no you ni megutte
Watashi wa kami wo mijikaku kitte
Sekai wa kyou mo asa wo mukaeru
Goodbye yesterday...
Goodbye yesterday...
Yorokobi to kanashimi ni dakarete
Watashi wa yasashiku hohoenderu
Sayonara koso kinou e no kansha
Goodbye yesterday
And hello tomorrow...
