(Imajin-Chorus)

Candy Girl  
You're all my world  
You look so sweet  
You're a special treat  
Candy girl  
All I want to say  
I need your lovin'  
Each & every day

(Baby DC-Verse 1)

She was the sweetest thing  
I've ever seen  
Had more sugar than parline  
Matter of fact had more flava  
Than Kool-Aid and Ovaltine  
You know what I mean?  
She got my back to the end  
She gone always be my girl  
And gone always be my grandstand  
Girl lookin like caramel  
Straight out the Snicker  
Ever since the 5th grade I been out to get her  
Stay sweet like the Willy Wonka factory  
But if you're too much like sugar  
I'll catch a cavity  
It's like that now  
So how you feel about that now?  
Wanna go and get the pack now  
She was as sweet as a candy cane  
Up in my world  
I guess that's why I call her candy  
My candy girl

(Imajin-Chorus)

(Baby DC- Verse 2)

You know you're my whatchamicallit  
Damn my Reeses pieces  
A little spice  
Ain't nothing nice  
Can you keep a secret?

I'm a smart cat trying to make a little money  
So I can crawl back and retire wit my bit a honey  
I'll be the ice cream  
But you can be the sprinkles on top  
First class to Six Flags  
Are you ready or not?  
Me and the whole b-ball team  
You the head cheerleader so bring the squad  
If you know what I mean  
Or we can take a private trip

You and me, me and you  
Know what I mean?  
Don't even flip  
She was the sweetest thang  
Up in my world  
I guess that's why I call her candy  
My candy girl

(Imajin-Chorus)

(Bridge-Imajin)  
Do you really love me?  
Do you really love me?  
Do you really care?  
Do you really care? (yeah)  
Do you really need me?  
Do you really need me?  
You'll always be there, yeah

(Baby DC-Verse 3)  
Since the day at the bus stop  
You was lickin on a lollipop  
Thinkin' of you  
Girl I just can't stop  
We can ride the bus  
And share a pack of starburst baby  
You smellin like cinnamon  
And it's drivin' me crazy  
Got four tv's and a soda machine  
And a blockbuster car  
With a limit to movies  
We can ride if you wanna  
Daddy says it's cool  
We hit the pool after school  
And fill up at the pool  
Wit the whole crew  
And you know it's true  
And I'm waitin on the one day  
When you can be my boo  
She was as sweet as a candy cane

Up in my world  
I guess that's why I call her candy  
My candy girl  
(Chorus-Imajin)  
(Repeat until end)
