Yeah, nine eight, Imajin, what?
Can you keep a secret? 'Cause I can
If you won't tell, I won't tell
Keep it to yourself, come on

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you

Don't tell your sister
Or your best friend
What we did last night
Try to keep it inside

'Cause if they knew
They wouldn't keep it to themselves
They'd be talkin' 'bout
How they heard it from the horse's mouth, so

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you

Don't whisper secrets across the way
Because you never know
Who knows who
And where they've been

'Cause what they don't know, they wonder about
And what they can't see, they lie about

All I want is privacy
Me lovin' you and you lovin' me

If I give my heart to you
Do the things you want me to
Would you kiss and tell?
Would you kiss and tell? No, no, no, no, no, no

Baby, if I give my heart to you
Would you keep your word to me?
Keep it to yourself
Don't tell nobody else

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you

Baby, I know it's good to you
And you know it's good to me
And it's just the kinda thing
I wanna keep between us two

I'll do what you wanna do
I got so much love for you
But it's just the kinda thing
I wanna keep between us two

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you

Keep it to yourself
Don't tell nobody else
Keep it to yourself
Don't tell nobody else

Keep it to yourself
Don't tell nobody else
No matter what we do

It stays between me and you

Keep it to yourself
Don't tell nobody else
No matter what we do
It stays between me and you
