What, what, what, what am I supposed to do?
When your girl's all over me
And you don't believe

What am I supposed to do
When your girl's all over me
And you don't believe

What am I supposed to do
When your girl's all over me
And you don't believe

I didn't listen
Until the other day
When your girlfriend, insisted
That I should come around her way
When she told me that she wanted me
And she didn't want you to know
I tried to tell you that your girl's outta control

What am I supposed to do?
When your girl's all over me
And you don't believe until you see
What am I supposed to say?
When she's callin me everyday

What am I supposed to do?
When your girl's all over me
And you don't believe until you see
What am I supposed to say?
When she's callin me everyday

She called my phone
Told me to slide through
Sayin that she wants to talk
I don't know how to change what's goin on
Your shorty started pushin up
I said girl please get off of me
It ain't goin down this way
Yo it's crazy when i'm in this situation
I left the crib thinkin

What am I supposed to do

What am I supposed to do?
When your girl's all over me
And you won't believe until you see
What am I supposed to say?
When she's callin me everyday

What am I supposed to do?
When your girl's all over me
And you won't believe until you see
What am I supposed to say?
When she's callin me everyday
