Swing set silhouette.  
Stinging my sunburnt backhands.  
Breaking cigarettes.  
Mending fractured seesaw slip-ups.  
Why do we confine our steps to the dotted lines.  
We show our play.  
We stole the game.  
We take baby steps.  
They come so close together.

I step on your toes.  
C'est la vie said you to me.  
Sing me into your lullaby.  
And i'll kiss you goodnight.  
Long texas drive can change a mind.  
I've been thinking.  
It's a good thing.  
And i'll kiss you goodbye.
