### "Big Bad Handsome Man"

The man is tall, mad, mean, and goodlookin'  
And he's got at his eye  
When he looks at me, I go weak at the knees  
He's got me going like no other guy

'Cause he's my big, bad, handsome man  
He's got me at the palm of his hand  
He's the Devil Divine, I'm so glad that he's mine  
'Cause he's my big, bad, handsome man

Oh, the music he plays, the way he moves and sways  
Rocks me to the floor  
When he sings in my ear, he makes me shiver and leer  
Leaves me wanting more and more
