Poundin' down the door
Drownin' out your name
Stompin' through the floor
Let me out, boy, I'm goin' insane

I'm hiss'n like Eartha Kitt in a cage
I'm howlin' like a dog
You're evil, what you're doin' to me?
I kissed you but you're still a frog

Let me out, let me out, let me out
Let me out, let me out, let me out
Oh, let me out, let me out, let me out
Let me out, let me out

You got me and you dangle the key
Freedom in front of my rage
You better let me out or I'm gonna break
Every bone in this human cage

Your holdin' too tight, you're tyin' me down
This time you gone too far
You're evil, what you're doin' to me?
I'll be nobody's prisoner

Let me out, let me out, let me out
Let me out, let me out, let me out
Oh, let me out, let me out, let me out
Let me out, let me out, oh, oh

Oh, I'm startin' to freak, I'm startin' to shake
Oh, I can't breathe but you're not gonna take
A lot of action, I'm near distraction
I'm goin' outta my mind

Gonna rattle the bars, gonna break up the ball
Gonna tear out my hair, kick holes in the wall
My possession is your obsession
You're not gonna win this time

Oh, let me out, let me out, let me out

Let me out, let me out, let me out
Oh, let me out, let me out, let me out
Let me out, let me out, let me out

Oh, let me out, let me out, let me out
Let me out, let me out, let me out
Oh, let me out, let me out, let me out
Let me out, let me out
