We're lookin' at the same moon
Though we're miles apart

We're wishin' on the same star
When you're deep in my heart

I don't know if you know
But when we miss each other so
Look up
I'll meet you at the moon

We're starin' at the same sky
Strangers it seems
We're sittin' on the same earth
Though there's oceans between

I don't know if you know
But when we miss each other so
Look up
I'll meet you at the moon

Mmm I'm part of you
And you're part of me
But it's a cold old world
When your missin' somebody

Without you
I wouldn't couldn't be
So when your heart is achin'
And it can't take much more breaking

We're lookin at the same moon
'Though we're miles apart
We're wishin' on the same stars
When your deep in my heart

I don't know if you know
But when we miss each other so
Look up
I'll meet you at the moon
