No matter where I go  
You're always following me  
No matter what I do  
You know you give me misery

Oh, you're smotherin' me baby  
whoa yeah, you're smotherin' me baby  
Oh yeah, you're smotherin me baby  
I can't even breathe when I'm with you

You're hanging over my shoulder  
Whenever I try to talk  
You're clinging to my arm so hard  
It's making it hard to walk

Oh, you're smotherin' me baby  
whoa yeah, you're smotherin' me baby  
Oh yeah, you're smotherin me baby  
I can't even breathe when I'm with you

When I see other girls  
Out laughing with their friends  
I wish that we were over  
So I could begin my life again  
You think that you can own me  
That I belong to you  
You've never really known me  
Oh my god, you have no clue

Oh, you're smotherin' me baby  
whoa yeah, you're smotherin' me baby  
Oh yeah, you're smotherin me baby  
I can't even breathe when I'm with you

Oh you're holding on with claws  
You think it'll make me stay  
the more you put your paws on me  
You're pushing me away

Oh, you're smotherin' me baby  
whoa yeah, you're smotherin' me baby

Oh yeah, you're smotherin me baby  
I can't even breathe when I'm with you  
Oh yeah, you're smotherin me baby  
I can't even breathe when I'm with you
