Sometimes I feel I've got to  
Run away I've got to  
Get away  
From the pain you drive into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my light  
'Cos I toss and turn I can't sleep at night  
Once I ran to you  
Now I'll run from you  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly all  
Tainted love  
Oh, tainted love  
Now I know I've got to  
Run away I've got to  
Get away  
You don't really want any more from me  
To make things right  
You need someone to hold you tight  
And you think love is to pray  
But I'm sorry I don't pray that way

Once I ran to you  
Now I'll run from you  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly all  
Tainted love  
Oh, tainted love  
Don't touch me please  
I cannot stand the way you tease  
I love you but you hurt me so  
So I've got to pack my things and go  
Once I ran to you  
Now I'll run from you  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly all  
Tainted love

Oh, oh, tainted love  
Oh, tainted love  
Oh, tainted love  
Don't touch me with your tainted love  
I don't want this tainted love  
Yeah, I quit your tainted love  
Oh, oh  
Oh, oh
